PUBLIC COMMENT:

Mr. Steve McDade, Emergency Management Director informed Council on the receipt of the Barrett Laramore plaque presented to the County for its Emergency Preparedness Program.

Mr. Jim Irwin of 625 Highway 20, Abbeville informed Council that since the previous meeting he has received calls from three (3) other cemeteries requesting that the County maintain them also. Historical significance cannot be the only reason for maintaining a cemetery. The County would be opening a can of worms, if it entered into the cemetery business.

Ms. Carole Adam of 380 Deacon Road, Calhoun Falls read a letter to Council in regards to the misplaced right of way easements for the paving of Deacon Road. Buddy Agan of the Public Works Department was asked to elaborate on the situation. He stated that Deacon Road was on the list for paving back in January of 1991. It fell off the list then reappeared back on the list in 1993. Records for that time are very sketchy. Chairman Gunnells requested that all efforts be made to locate the missing documents and a traffic count on the road begun.

Mr. Robert Vaughn of 265 Lake Shore Drive (Lake Secession Area), Iva requested of Council that since Anderson County has limited the EMS services to the Lake Secession area, what would the purpose of a Quick Response Vehicle (QRV) be? Would this be a permanent location for our area and what would be the hours of operation? Mr. Steve McDade of Emergency Management responded per Councils request that an ambulance would be dispatched at the same time as the QRV and that the QRV is equipped with the same equipment as an ambulance. The station would be manned 24/7.
